Profile

I'm Dua Fatima ,
I am passionate about helping our future youth in their educational journey . As being a student myself , i do understand how important is to have proper guidance in paticular subject . I believe that everyone has the potential to learn and grow, and I'm here to guide you through your first steps on this exciting path.

Work Experience

TEACHER

Choosing the right teacher is the first step in your educational journey. Here's why I believe I'm the right fit for beginners:

1. Experience: I have experience working with beginners and know how to simplify complex concepts.
2. Passion: Teaching beginners is my true calling, and I genuinely enjoy seeing my students .
3. Patience: I understand that everyone starts somewhere, and I'll be by your side every step of the way.
4. Adaptability: I'll adapt to your learning style, making the process comfortable and enjoyable.
